## STATE LAWS AND REGULATIONS PERTAINING TO PUBLIC HEALTH.

---

### KENTUCKY.

#### Common Drinking Cups—Use in Public Places Prohibited (Laws of 1912, Chap. 60, Approved Mar. 13, 1912).

SECTION 1. The use of the common drinking cup on railroad trains and in railroad stations, public hotels, boarding houses, restaurants, or steamboats, in stores or other publicly frequented places in Kentucky is hereby prohibited. No person or corporation in charge of the aforesaid places, and no person or corporation shall permit on said railroad train, in railroad stations, public hotels, boarding houses, restaurants, steamboats, stores, or any publicly frequented place in Kentucky, the use of the drinking cup in common. There must also be posted in a conspicuous place, by the individual or corporation, by the drinking water contained in any of the places mentioned in foregoing paragraph, a warning cardboard, with the above printed thereon in large letters, so they can be easily read. Any person or corporation violating the provisions of this act shall, upon conviction, be fined in any sum not less than \$1 and not more than \$10, and each day's violation of any of the provisions of this act shall be considered a separate offense, punishable by fine in the amount named above.

SEC. 2. All laws inconsistent with this act are hereby repealed.

#### Opium and its Alkaloidal Salts—Regulating the Sale of (Laws of 1912, Chap. 86, Approved Mar. 14, 1912).

SECTION 1. Opium or its alkaloidal salts or their derivatives, or any admixture containing opium or its alkaloidal salts or their derivatives, shall be sold or dispensed only by a registered pharmacist upon the original written, dated, and signed prescription of a legally licensed physician, or dentist, or veterinary surgeon, and only one sale shall be made on said prescription, and each such prescription shall state upon its face the quantity of said opium, its alkaloidal salts or their derivatives, also the name of the patient and the date said prescription is filled. And opium or its alkaloidal salts or their derivatives, or any admixture containing opium or its alkaloidal salts or their derivatives, shall be sold at wholesale only to registered pharmacists, legally qualified physicians, dentists, and veterinary surgeons: *Provided, however,* That any preparation, patent, proprietary or otherwise, containing not more than two grains of opium or one-fourth of a grain of its alkaloidal salts or their derivatives to the ounce or admixture of ipecac and opium commonly known as Dover's powder, or the anti-spasmodic mixtures of the National Formulary official at the time of sale, or lotions, liniments, suppositories, ointments, and plasters plainly labeled "For external use only," may be sold or dispensed by registered pharmacists without any prescription. Any registered pharmacist, physician, dentist, or veterinary surgeon or any person not a registered pharmacist, licensed physician, dentist, or veterinary surgeon, who shall prescribe for, procure for, or sell, or dispense to any person opium or its alkaloidal
